

East High Gridders Set Many New Marks During 1919 Season

With the 1919 gridiron season ended, the East High school warriors of Salt Lake, interscholastic champions for the season, have established two world's records in the high school class. During the entire season the Leopards rolled up a total of 549 points in 9 games which is better than a point a minute and which is a new world record. On the other hand the Leopards blanked their opponents. In one game they set a world record when they defeated the L. D. S. stars 148 to 0.

The first and second teams of the Leopards laid established a mark of 750 points to 19 set by the opposition in two games of the season. The Leopards were held to low scores. One of these games was played against the Ogden warriors and resulted in a 7 to 0 win for the champions. The other contest was played against the Aggie Frosh, the score in this battle being 6 to 0.

At the start of the season, Coach Ott Romney had but two letter men on the job and the showing of the Leopards for that reason is marvelous. Much credit is due the former crimson star for the showing of his team and with the 1920 season Romney should again have a wonderful aggregation. The season's scores for both the first and second teams follow:

Annual Six-Day Bicycle Race at Madison Square

NEW YORK, Nov. 30.—The annual six-day bicycle race, which began tonight at Madison Square Garden, is being contested over a track which measures nine laps to the mile. For the past 26 years this event was decided on a ten lap track. This year, however, the management decided to enlarge the wooden bowl so that the riders might have an opportunity of obtaining greater speed and also to avoid spills on the turns.

The point system for sprints will govern the contest this year. These sprints will take place at regularly appointed times each day. The hours set for the sprints are: 2:30 a. m., 3:30 p. m. and 9:30 p. m. Five sprints will be decided each morning and afternoon and twice that number every night. Under the point system the leading team in each sprint will be credited with six points, the second with five and one point less for those finishing in order down to sixth place for which one point will be scored.

Twelve points will be tallied by the winners of each sprint next Saturday afternoon and this tally will be increased to seventy-two points for the winners of each of the sprints during the closing hours of the race Saturday night.

In addition to the cash prizes for the winning and placed teams at the finish of the event, \$500 will be awarded each day to the sprint winners. Fifteen teams, picked from the best riders in the world, ten of whom are champions in their respective classes, make up the field of starters as follows:

America—Goulet and Madden.
French—Swiss—Dupuy and Ege.
Canadian-American—Megin and McNamara.
New York—Eaton and Kaiser.
Belgian—Byssse and Spiessens.
Italian—Brocco and Verri.

Canadian-American—Spencer and Chapman.
Long Island—Carman and Lang.
Italian-American—Bello and Thomas.
Newark—Weber and Keller.
French—Areta and Beyl.
New Jersey—Coburn and Kopsky.

NEW YORK, Dec. 1.—All teams entered in the annual six-day bicycle race at Madison Square Gardens were tied at 8 o'clock this morning, having covered 182 miles and two laps. The eighth hour record is 189 miles and nine laps, made by Lawson and Drobach in 1914.

Utah May Clash

With the 1919 gridiron season ended and with the University of Utah and the Colorado College warriors tied for conference honors, it is highly probable that a game to decide the title will be staged next Saturday to determine the title winners. The game will be played at Salt Lake or Denver.

Although arrangements have not been completed, it is expected that the game will be arranged before the week end.

Coach Tommy Fitzpatrick is elated over the possibilities of a game with the Tigers—his aggregation having defeated the Tigers 20 to 0. While the Utah warriors were defeated 34 to 21 by the Colorado Aggies, the Colorado Tigers handed the Aggies a 12 to 0 defeat, thus making a tie for the title with the crimson.

"This game, if played, would be a record-breaker and would, no doubt, draw a great crowd of rooters. Salt Lake is pulling for the game in their city while the Colorado fans want the game played at Denver."

Ford Shows Class
At Trap Shooting

Sam Sharman, the Salt Lake Wizard, was the star at the traps at Salt Lake yesterday. Sharman broke 39 out of a possible 100. His mark is regarded as marvelous considering the conditions under which the shoot was held. He displayed a keen eye but only defeated Ernie Ford of Ogden, J. V. Cronie and F. H. ing and managed to romp home with a turkey. The shoot staged yesterday was scheduled for Thanksgiving day but was postponed until yesterday due to the storms which ruled on turkey day.
